**ON LINE HONOURS BOARD**

**10 August 2022**

## 1. PREAMBLE

During year 2022 some members discussed the possibility of creating an On-line Honours Board as no such physical boards existed, like happens in a normal bowling clubhouse. After much discussion it was decided that Bill Wilson should *give it a go*. Bill had already had experience implementing an On-line Honours board at West Melton Bowling Club [here](#) however as pointed out a disadvantage with this publication was that it required a programmer to manually write some more html code to enter the yearly results, which is undesirable and was no good for the long term. Hence, Bill with the help of his good friend Roel Buining in Belguim created a database driven solution which facilitated online updating by an Admin person. Considerable testing was done and several members tried it out with test entries until we were all satisfied. The final out come was a product with many more features than originally envisaged.

One big question that had to be answered during development was how far back do we go as someone mentioned that the Rooster competition had been played back in 1905! Whilst we could get the historical data from inscription on the Cups & Trophies we were fortunate that Lyndsey Withell of Lincoln had kept meticulous records of events back to 2005. So it was decided an obvious cut-off point would be the year 2000.

## 1. OPERATIONAL INSTRUCTIONS

At the end of these instructions Appendix B are the guidelines for the Admin person.

The following will be a series of pictures containing **Red** numbers that refer to particular items covered by the text below.

**1** Click for Full Screen — click again to return to normal screen.

**2** This is where the admin person logs in, requiring a password. For a full description see Appendix B

**3** Click the Help File Button to access this document.

- 4 This is a very powerful search engine and is fully covered under Appendix A.
- 5 This is where you select the 4 different pages to display— Men, Women, Mixed, Executive.
- 6 & 8 Both bring up a similar report when the Event Header is clicked or an individual Season is clicked. At the bottom of the report page is a **Download** Button, which downloads a Text file (.txt) to your computer which you can subsequently import into a Microsoft Word document. See Picture Below.
- 7 When you hover your cursor over a cell in the table, up pops a small window which contains the results of that game. See Picture Below.

## APPENDIX A

This search function is a very powerful feature. As an example enter the letters **with** and click the magnifying glass (or hit Enter). It will then search the entire database and find any word containing those letters (whether upper or lower case). It will then highlight those letters in red. It will also highlight in red any entry containing those letters. The total number of matches will be shown in the bottom left corner. Delete those letters from the search box and hit Enter to return the display back to normal.

The search also allows entry of wild cards \* and ?

Another feature is that you will see to the right of the number of Matches is a Button called Create Report. When you click this button up pops a report window listing all the events (in this case) that **with** appears in. The report also has the ability to download a text file.

## APPENDIX B

This section contains the instruction for the Admin person who is responsible for entering all the data into the database.

From the top Menu click Admin and then Select Honours Board. You will then be asked to enter a password and every screen thereafter will have the **ADMIN** label in the top left hand corner to let you know that you are logged in as the Admin person.

Next select an event to Edit by clicking the appropriate cell in the table. Up pops a window containing all of entries to be made. You may also delete an entry.

Should you wish to add a new season then click on the heading label Season—top left.

To exit the Admin mode just close the window..

The image shows a web application interface for an admin user. At the top, there is a navigation menu with 'Admin' selected, and options for 'New Season', 'Events', 'Registrations', and 'Honours Board'. To the right, a separate box contains the 'ADMIN' label and a 'Home' button. The main content area is titled 'Honours Board - Men - Season 2019-20' and features a form for editing data for Pairs. The form includes a 'Club' dropdown menu set to 'Lincoln', a 'Winner(s)' text input field containing 'D.Smith, N.Alfeld', and a 'Runner Up' text input field containing 'Leeston: T.Kennett, C.Lowery'. At the bottom of the form are three buttons: 'Save', 'Delete this Entry', and 'CLOSE'.
